Hi Maya –

We cannot agree to waive the confidentiality designation of these documents for purposes of this filing. They contain information that is properly marked confidential pursuant to the parties' protective order, and could result in harm to both Google and individuals not a party to this lawsuit if filed publicly. If you must include these documents with your submission, we ask that you follow the procedures outlined in our protective order 13(b) and allow Google the opportunity to move to keep these documents sealed. We also ask that, to the extent you name any candidates for the position of Head of Financial Services other than Ms. Rowe, you redact their names from your filing. Particularly for external candidates, the fact that they were exploring a role at Google is something I'm sure they don't want publicly filed.

Thank you,  
Sara
